## Important Notices

### Account Profile

To ensure you are notified of new service announcements and important updates, please email us at [memberservice@maconbibbecu.org](mailto:memberservice@maconbibbecu.org) or call (478) 219-1163 with your account number, current mailing address, email address and phone number.

### NCUA Regulation D Enforcement

In accordance with Federal Regulation D, withdrawal transactions on a savings account should be limited.

Members are allowed 6 transactions per calendar **quarter** with no fee. Any additional transactions will have a \$5 fee assessed per transaction. Macon-Bibb Employees Credit Union began assessing the \$5 fee on February 1, 2021. This applies to cash withdrawals, check withdrawals, ACH/bill payment withdrawals, and transfers to a CUMoney reloadable debit card. To avoid fees, you should withdraw funds needed only twice per month, reduce the amount of your deposits, or open a checking account at a financial institution which offers checking accounts.

### Website and Mobile App Usage

Members are responsible for monitoring the Credit Union website [www.maconbibbecu.org](http://www.maconbibbecu.org) or mobile app (search for **maconbibb**) for important notices. All loan requests must be completed via the website or mobile app. Loan applications will be processed **after** receipt of a copy of your most recent paystub and the \$20 loan processing fee. Please use the website and mobile app to check your balance, and to transfer funds to other member accounts.

### American Income Life

The Credit Union is no longer partnered with American Income Life for accidental death insurance.
