Important Notices

Account Profile

To ensure you are notified of new service announcements and important updates, please email us at memberservice@maconbibbecu.org or call 478-621-6294 with your account number, current mailing address, email address and phone number.

NCUA Regulation D Enforcement

In accordance with Federal Regulation D, withdrawal transactions on a savings account should be limited.

Members are allowed 6 transactions per calendar **quarter** with no fee. Any additional transactions will have a \$5 fee assessed per transaction. Macon-Bibb Employees Credit Union began assessing the \$5 fee on February 1, 2021. This applies to cash withdrawals, check withdrawals, ACH/bill payment withdrawals, and transfers to a CUMoney reloadable debit card. To avoid fees, you should withdraw funds needed only twice per month, reduce the amount of your deposits, or open a checking account at a financial institution which offers checking accounts.

Website and Mobile App Usage

Members are responsible for monitoring the Credit Union website www.maconbibbecu.org or mobile app (search for **maconbibb**) for important notices. All loan requests must be completed via the website or mobile app. Loan applications will be processed **after** receipt of a copy of your most recent paystub and the \$20 loan processing fee. Please use the website and mobile app to check your balance, and to transfer funds to other member accounts.

American Income Life

The Credit Union is no longer partnered with American Income Life for accidental death insurance.
