Important Notices

NCUA Regulation D Enforcement

In accordance with Federal Regulation D, withdrawal transactions on a savings account should be limited.

Members are allowed 6 transactions per calendar **quarter** with no fee. Any additional transactions will have a \$5 fee assessed per transaction. Macon-Bibb Employees Credit Union began assessing the \$5 fee on February 1, 2021. This applies to cash withdrawals, check withdrawals, ACH/bill payment withdrawals, and transfers to a CUMoney reloadable debit card. To avoid fees, you should withdraw funds needed only twice per month, reduce the amount of your deposits, or open a checking account at a financial institution which offers checking accounts.
